GoLogica

Full Stack Java Developer Terms & Conditions

Please go through these [Terms and Conditions](#) (hereinafter collectively referred to as "T&Cs") prior to participating/enrolling in the Full Stack Java Developer Career Master Program. For these Terms & Conditions' purposes, wherever the context so needed "you" or "your" shall indicate any learner/person/customer who participates in this Full Stack Java Developer. By enrolling in this Program, you agree that you are bound by the herein-mentioned T&Cs and you agree that you have clearly read & understood these Terms and Conditions & you are fully satisfied with the eligibility requirements of the Program as mentioned below herein.

These Terms and Conditions are added to the GoLogica Terms and Conditions, Privacy Policy, and Terms of Use as might apply to which you accept our Website and its mobile app. (hereinafter referred collectively to as "our website"/"GoLogica"). To the extent, the Terms of Use, Terms and Conditions, and Privacy Policy of GoLogica are varying with these T&Cs, these Terms and Conditions will prevail concerning this Program only.

The Terms and Conditions of this Program along with the Terms of Use, Terms of Service, and Privacy Policy of GoLogica set forth the understanding between GoLogica and you concerning this Program. The provision mentioned in these Terms & Conditions is unenforceable and shall not put any effect on any other provision's enforceability given in these T&Cs.

GoLogica Technologies (hereinafter stated as "the Company"/ "We"/ "Us"/ "GoLogica") has made this Program for the learners to begin their career in the Full Stack Java Development field. h. You should graduate from the Program within the standard Program duration. Also, submit all the course exercises/assignments within the standard timelines.

i. You should have proficiency in written and spoken English, as determined when you interact with the GoLogica admission team in the beginning.

j. Pay the Fees required to do this Program upfront, or via any of the payment plans available. Please note that we do not accept income share agreements as they are not eligible.

2. Admission/Enrolment Process for Full Stack Java Development Program

The admission/enrolment process for this Program:

a. Do Register for the Full Stack Java Development Program on the GoLogica Website. For this, you have to fill in your essential profile details.

b. The Enrolment team at GoLogica will evaluate your profile information and check your eligibility. If you meet the eligibility criteria to enroll in this program, then you will get admission into the Full Stack Java Development Program at GoLogica's discretion.

c. To make sure your admission is confirmed, pay the Program Fees given on our website within the mentioned period, if any.

d. It is believed that you have completely read and understood the eligibility criteria and information of the Program which is provided on the website before applying, and then applying for admission into this Program.

e. After completing the admission process, you cannot transfer the same. The admission is effective only for the Full Stack Java Development Program. You cannot exchange this for other programs provided by GoLogica.

3. Refund Policy

a. Our Full Stack Java Development Program neither provides a guarantee for any job or salary increment or less salary nor does it agree on jobs in specific locations.

b. You have to raise the request for a refund within 7 days from the date of purchasing the course. If the learner has accessed over 25% content, downloaded an E-Book, or got recordings for more than one day, or attended classrooms online, or taken any assessment. If the refund request is raised after 7 days from the course purchase data, then it will not get accepted and the refund will not be provided.

4. Conduct and Performance Requirements under this program:

a. Attend classes live and finish self-learning videos according to the program's certification unlock criteria.

b. When you get enrolled into the Full Stack Java Developer Program, then you will be eligible to get the Career Services in this Program.

c. Submit all the projects (phase-end) and pass the same within the standard duration as mentioned in the program's certification unlock requirement.

d. Call/text your coach at least once a week or as mentioned by your coach assigned to you.

e. You are not supposed to cancel your interview session (one-to-one) a minimum of 2 days before your session.

f. Track your activities related to job search including but not restricted to confirmation emails of application, verifications of registration, and pictures from events by making use of your tracker defined/given by GoLogica.

g. Attend a minimum of 2 (two) events including, but not restricted to conferences, grade source informational interviews, meetups, hackathons, job fairs, seminars, networking events, workshops, or any other options that your Career Service coach approves.

h. You have to do all the mandatory training sessions and mock interviews assigned to you by the Career Service coach.

i. Do not forget to respond to the GoLogica correspondence and Career Service Team within 48 hours from the receipt date of the same.

j. When applying for jobs, apply to a minimum of over 30 qualifying position jobs every month and make sure the same is properly documented.

k. Set up a customized job search plan and get it approved by your coach. For this, you have to coordinate with your coach.

l. You are not supposed to do any kind of deceitfulness when the application process is ongoing and during the Program term.

m. Do not hesitate to take guidance from your Career Service advisor/coach. Always follow the suggestions of the coach in your job search. But, not limited to developing your network and applying for multiple suitable job positions.

n. Get approval of all the Career Artifacts by your Career Service Coach, including, but not restricted to LinkedIn, Resume, and Project profile during the Career Services term.

Note: Course Completion Timelines do not consist of any pause, extension, or freeze granted by GoLogica.

5. General Terms and Conditions

a. Once you get admitted/enrolled to the Full Stack Java Development Program, it is considered that you have read and understood the requirements to do this Program and the details of the Program provided on the website.

b. When you take admission to this Program, you provide consent to be on the mailing list for all promotional and marketing materials from GoLogica.

c. GoLogica may allowed by laws applicable to the great extent and in its sole decision, change/modify the things given under the Full Stack Jave Development Program. Also, we shall reserve the right to cancel the Program, change/modify/update the Terms & Conditions; or terminate, modify, or suspend the Program must worms, viruses, illegal human interruption, or other

reasons which are out of our control or provide harm to the administration or Program's security. If, in case, any such events occur, the candidate will get the information about the same via mail. If you have any problem with the above-mentioned changes, then contact us. If you do not have any objections, then it is believed that you have agreed to the changes and waived the rights under the law applicable, or else to raise any problem in the future.

d. Once you get enrolled in GoLogica's Full Stack Java Development Program, you allow us and our affiliates to make use of your name, image, likeness, appearance, and/or image as such might be personified in any photos, video recordings, audiotapes, digital images, pictures made or taken associated with the Program. You accept that GoLogica and its affiliates reserve the right to post your general information for communication (promotional and marketing). Additionally, you also accept that GoLogica shall have the ownership of such images, writeups, etc, which includes the copyright and might make use of them for purposes (promotional and marketing). These uses contain, but are not restricted to bulletins, videotapes, reproductions, illustrations, advertisements, exhibitions, publications, reprints, and any educational or promotional materials in any way which is now known or developed later, which includes the internet. Also, you hereby accept that you will not get any royalty or compensation, etc. for using such images, etc., and release GoLogica, its agents, affiliates, and permitted assigns from all the claims that occur with such usage. You also give your consent to GoLogica, its agents, its affiliates, and legalized assigns to make use of your name & likeliness for program promotion.

e. Please be aware that GoLogica or its affiliates might be providing the same programs at the same time when this program runs. If you are enrolling in this Full Stack Java Development Program, then you will not get any benefits from any other program unless you take separate admissions in each program.

f. LMS: It means a Learning Management System to which you will get online access once you are enrolled in this Program. LMS includes the facility to attend sessions online, and access e-learning materials, assignments, learning plans, and session recordings as required for the Program. We provide LMS access only during the term of the Period.

g. GoLogica might disqualify any candidate from this Program and/or will not provide any part of the offerings such as job opportunities or career services with any refund if the candidate is:

(i) Violating these Terms and Conditions.

(ii) Tampering with the admission process with fake details or operation of the Full Stack Java Development Program.

(iii) Having an unruly manner or having the intention to threaten, annoy, harass, or abuse another individual associated with this Program.

h. Privacy: By taking admission in the Program, you are aware that you are sharing your personal information such as a date with GoLogica and its associates to communicate with you now and in the future & concerning this Program and other related advertising activities associated with the online courses of GoLogica. Every detail, which includes personal data submitted for this Program will be treated as per these Terms & Conditions, and the Privacy Policy mentioned in the GoLogica.com. You should always abide by these Terms and Conditions & Privacy Policy provided at GoLogica.com. If you do any sort of unprofessional and unethical behavior or non-adherence with the Privacy Policy and Terms & Conditions provided in GoLogica.com, then it shall lead to the cancellation of admission/enrolment from the Full Stack Java Development Program and loss of the Fee.

i. Communications: GoLogica might communicate with you via anyone/or other options such as email (registered email ID), Call/SMS (registered contact number), by post (residential address), or via message on LMS. This is to help you stay informed, as well as updated about the Program and other services related to it. Such communications sent to you shall be considered as acknowledged and read by you. You are only liable to make changes/modifications in your details. To make changes/modifications, you have to write the same to the helpdesk. You hereby confirm that the laws related to the unsought communication referred to in the "NDNC Registry" (National Do Not Call Registry) as laid down by the Telecom Regulatory Authority of India will not apply to such calls, SMS received from GoLogica, communication, agents, associates, and its employees.

j. Objections: If you have any queries or concerns, please contact our Grievance Officer. He/She shall put forward the efforts to solve your problems at the earliest. You can contact us at:

Email:

k. Governing Laws and Jurisdiction: The Terms and Conditions of this Program are governed by the laws of India. The Full Stack Java Development Program and all other related materials are copyrighted and all rights are reserved. By enrolling in this Program, you accept that all the verdicts associated with the Program and the Terms & Conditions are final and you are abiding by it. If we fail to enforce any of these Terms & Conditions shall not be considered to be a waiver of the Terms and Conditions & shall not provide any support to any claim by any individual. All the Terms & Conditions are subject to the law of India and the courts located at Bangalore shall have the special power concerning any matter occurring or any disagreements.

l. Digital Devices & Connectivity: The candidate(s) should have their own laptop, desktop, headset, webcam with echo cancellation mic (referred collectively to as "Digital Devices"), software, good electric power supply, and high-speed broadband internet connectivity to enroll into this program. If you are enrolling in the Program, then it indicates that you have all the necessities to join this Program. Not having the necessities will affect your learning. You are liable to make arrangements for your resources at your own cost. It includes the Software, Broadband Connectivity, Digital Devices, and Electric Supply. You are liable for the proper functioning of your Software, Digital Devices, Electric Supply, and Broadband Connectivity. If you want to do procurement, installation, upgradation, or troubleshooting of any Software, Broadband Connectivity, Digital Devices, or Electric Supply, contact your merchants at your own cost and we are not liable for it.

m. Discipline: By enrolling in the program, you have to follow the norms of discipline and dignity during the Online Sessions. If you do not follow the same, then it might lead to significant penalties, which may even consist of enrolment cancellation and Program Fee penalties.

If we find that you are making use of unfair means in the online examination, or while doing hands-on assessments & assignments, by involving in activities such as discussions, instruments based on technology, copying, or other methods of cheating, then you will be disqualified for the Program and penalty of the Program Fee.

Indiscipline shall consist of, but not be restricted to nuisance, misbehavior, using foul language in the online chat forums, brawls, posting offensive materials in the LMS, nuisance, drunk, narcotics substances consumption, using

unfair means during assessments, or getting involved in things which lead to hampering or demeaning the structure of the program during online sessions.

n. Medical Fitness: By enrolling in the Full Stack Java Development Program, you agree that you are aware that this Program is being provided via online admission. Also, the training is given online, and you are completely fit in the medical aspect to endure the same devoid of any limitations.

o. Modifications: GoLogica has the right to modify, amend, substitute, or withdraw any of the mentioned Terms & Conditions devoid of any prior notice. The modifications might be necessary as the focus of GoLogica is on the continuous development of the services and processes, research and development in the pedagogy, industry requirements, procedures, technology obsolescence, & statutory amenabilities. If any changes or modifications are there, then it will get updated in these Terms and Conditions, and/or Terms of Use, Privacy Policy, and Terms & Conditions of the GoLogica as might be appliable. Also, we will inform the same to you and you would have to read and bear such changes/modifications, if any.

6. Acceptance of the Terms and Conditions of the Program

We will provide the T&Cs via an acceptance letter. The learner/candidate has to accept the T&Cs prior to getting admitted into the Program/ paying the Program Fee. If, in case, you are not ready to agree to the mentioned Terms and Conditions to do the Full Stack Java Developer Career Bootcamp, then you shall not be permitted to do this Bootcamp provided by GoLogica Technologies.

The candidate has to fill up the Full Stack Java Development course admission form. The learner is liable for the completeness and accuracy of the details given in the form. It includes the documents if any are needed. The candidate reads, understands, and accepts that if in case the information given by him/her in the admission form is not accurate at any time, then the respective Program will be void and the candidate will not get any refund of the Fee.

If the learner makes the payment of the Full Stack Jave Development Program Fee, then it indicates that the learner confirms that he/she has read, understood, and accepted the T&Cs, Privacy Policy, and Terms of Use & does not depend on any verbal representation by any third party or GoLogica.
